ABOUT GOLD STAR®

Life is Better in a Gold Star Community®

CAI's *Gold Star Community®* program recognizes those communities that work hard to develop and maintain standards, encourage community participation, maintain fiscal stability and positively impact the quality of life for residents.

Homeowners and managers alike believe this program is an excellent way to evaluate policies and procedures, and assure that their community operates within basic industry standards.

PLEASE NOTE: Judging standards are subject to change.

Applications are scored by a team of judges. Certain questions on this application, if not answered satisfactorily, will result in the automatic failure of the application.

An independent review panel that may be comprised of an attorney, reserve professional, insurance professional, an elected association volunteer or homeowner, a certified public accountant, a community association manager and/or a contractor, will review applications. If an applying association does not qualify upon first submission, the association will be advised as to what area(s) need improvement. Associations may respond within 90 days at no additional charge. If no response is received within 90 days, the applicant may resubmit a new application with appropriate fee.

Communities who are awarded the Gold Star rating will receive an outdoor sign and a certificate suitable for framing. Each association approved as a Gold Star Community will be recognized for their achievement by CAI.
